

FOUNDATIONS OF FAITH

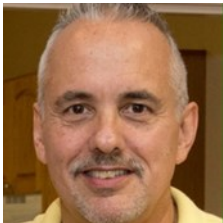

Anything you build needs a strong, solid foundation. From construction sites, to buildings and houses, to relationships, and your personal faith in Christ. Without a solid foundation, whatever you are building could crumble and fall due to storms, hardships, or normal wear and tear.

This year, our camp theme is "Foundations of Faith". During the week, we plan to share the gospel, God's Word, and explore the areas in which our Christian faith is built. As the week continues, we plan to construct ways in which our campers can continue to build on our foundation outside of camp. We hope that with the help of Jesus, we will not only share a message for the week but send our campers home with faith strengthening tools and blueprints that help all of us build on our foundation in Christ to live a God-centered life. Join us as we explore what truly makes up a solid foundation of faith.

- ◆ Choose up to 3 friends to bunk with.
- ◆ Meals made on-site. Food allergies can be accommodated.
- ◆ Sibling discount and financial assistance available.

Lutheran Youth Ministries is dedicated to nurturing and encouraging Christian growth and faith in high school youth through outdoor ministry.

From Rev. Dale Skeesick:

"I look forward with great anticipation, the opportunity to serve as camp pastor for the 2022 LYM Camp for the first time. A week in the woods, away from the distractions of this world, enjoying God's beautiful creations, sharing together and building relationships with the young campers will be just a small part of a blessed Christ-centered experience. We will have a great opportunity to grow together in our faith as we share time together with one another and with God. I am grateful and excited for the opportunity."

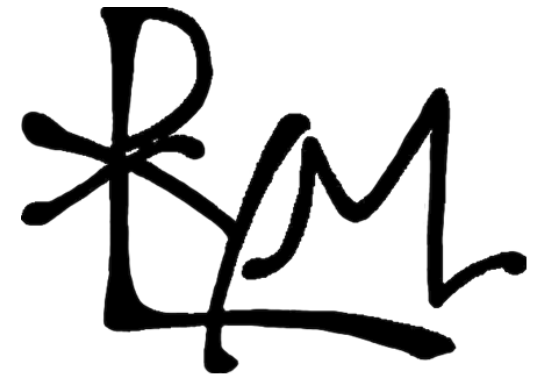

July 14, 2022 Applications Due!
